The Emerging Artists Series is a Theme & Variations Piano Services initiative which aims to give promising young pianists the exciting opportunity to prepare and perform a solo piano recital in front of a live audience. Solo performance opportunities outside of eisteddfods and examinations for young pianists are rare, especially for high school level students. The more a pianist can experience performing live, the better musicians they will become.

Date: Sunday October 7 2018 from 2pm to 4pm

Venue: 451 Willoughby Road Willoughby

Tickets: \$15 for adults and free for children under twelve

Money raised will go to the Theme & Variations Foundation.
